Record Delimiters

A record delimiter must follow each record in the file except for the last record. The record delimiter must consist of two characters, and those characters must be carriage return and line feed (CR/LF). Make sure each record is exactly 750 characters by adding spaces at the end as needed. The carriage return character and the line feed character must be placed in positions 751 and 752, respectively.

* **DO NOT** Place a record delimiter before the first record

* **DO NOT** Place more than one record delimiter i.e., more than one carriage return / line- feed combination, following a record

* **DO NOT** Place record delimiters after a field within a record.

MyTaxes provides a more secure environment to submit data files and requires less paperwork to process. If you are not already registered for MyTaxes, when accessing <https://mytaxes.wvtax.gov> you will be required to complete the following steps:

- Taxpayer Verification – This requires your Federal Tax ID Number, individual taxpayer ID number, social security number or WV tax ID number. (If you are unsure of your WV ID, contact Taxpayer Services at 1-800-982-8297)
- You will choose a tax account type, the account number and your zip code.
- Create Logon Information
- Add Access to Accounts (Optional)
- Once registered, you may request access to any or all your tax accounts that are available on MyTaxes.

If you are a **Payroll Service Provider** and have not yet registered with WV please send a completed page 1 of the business registration application to: Christine.D.Stephenson@wv.gov

ALL OTHER registration questions must contact Taxpayer Services Division at 1-800-982-8297
