# WEST VIRGINIA FIDUCIARY INCOME TAX RETURN INSTRUCTIONS

## GENERAL INSTRUCTIONS

**RESIDENT AND NONRESIDENT ESTATE, TRUST, AND QFT DEFINED** - WV is a federal conformity state. When a Federal 1041 or Federal 1041-QFT is filed with the IRS, then any resident or non-resident estate, trust, or QFT would be required to file the IT-141 or IT-141-QFT with the WV State Tax Department. For income tax purposes as filed on the IT-141, a resident estate or trust means: (a) the estate of a decedent who at his/her death was domiciled in this state, (b) a trust created by will of a decedent who at his/her death was domiciled in this state, or (c) a trust created by or consisting of property of a person domiciled in this state. Form IT-141 marked as QFT is required when the Federal 1041-QFT is filed according to §685 of the Internal Revenue Code to permit certain trusts to elect Qualified Funeral Trust Status (QFT). A non-resident estate, trust, or QFT is required to file the IT-141 or the IT-141 marked as a QFT and report the income that is attributable to West Virginia. The residence of the fiduciary does not affect the classification of the estate, trust, or QFT as a resident or non-resident. **Note:** The IT-141-QFT will no longer be a separate return. It will be integrated with the IT-141 with a selection box if an IT-141-QFT is required.

**ESTATES, TRUSTS, AND QFT REQUIRED TO FILE A RETURN** - Fiduciary returns must be filed for the following estates and trusts:

- (a) Resident estates, trusts, or QFT's required to file a Federal Income Tax return, or having any West Virginia taxable income;
- (b) Non-resident estates, trusts, or QFT's having items of income or gain derived from West Virginia sources.

**WHEN TO FILE** -All returns must be filed on or before the 15th day of the fourth month following the close of the taxable year. The taxable year of the estate, trust, or QFT for West Virginia income tax purposes is the same as the one used for federal tax purposes.

**WHERE TO FILE** -All returns must be filed with the West Virginia State Tax Department, Internal Auditing Division, P.O. Box 1071, Charleston, West Virginia 25324-1071.

**USE OF FEDERAL FIGURES** -All items of income and deduction to be used for West Virginia tax purposes are the same as for federal tax purposes and the meaning of all terms is the same, but are subject to verification, audit and revision. Please see the instructions for non-resident estates or trusts.

**EXTENSION OF TIME TO FILE** -Any estate, trust, or QFT needing an extension of time to file the West Virginia Fiduciary Income Tax Return (Form IT-141) and/or that expects to owe income tax and/or non-resident withholding tax (QFT not required to pay the non-resident withholding tax) must file Form IT-141T, Extension of Time to File. File Form IT-141T on or before the due date of your return. Any estate or trust granted an extension of time to file their federal return is granted the same extension of time to file their West Virginia return. An extension of time to file does not extend the time for payment. To avoid interest and additions to tax for late payment, use Form IT-141T to make a tentative payment pending the filing of your annual return.

**NON-RESIDENT BENEFICIARY WITHHOLDING** -Estates and Trusts are required to withhold West Virginia Income Tax from each non-resident beneficiary that has not given to the Estate or Trust a West Virginia Non-Resident Income Tax Agreement, Form WV/NRW-4. The amount of withholding tax payable is six and one-half percent (.065) of a pass-through entity's effectively connected taxable income, which may be lawfully taxed by West Virginia, and which is allocable to a non-resident beneficiary.

The non-resident beneficiaries may claim the amount to tax withheld as a credit against his or her West Virginia Personal Income Tax liability by attaching a copy of the information statement provided by the Estate or Trust to their West Virginia Non-Resident Personal Income Tax Return, Form IT-140.

**PAYMENT OF TAX WITHHELD** -The entire amount of tax withheld from the non-resident beneficiary is required to be paid with the annual return Form IT-141 on or before the 15th day of the fourth month following the close of the taxable year of the Estate or Trust. Make check payable to the West Virginia State Tax Department. An extension of time to file does not extend the date for payment of tax.

**INFORMATION STATEMENT OF TAX WITHHELD** -Every Estate or Trust required to deduct and withhold tax on non-resident beneficiaries must provide an information statement to each non-resident beneficiary on or before the date it files its West Virginia Fiduciary Tax Return. The information statement shall show the amount of West Virginia Income subject to withholding and the amount of West Virginia Income Tax withheld. The Estate or Trust may satisfy this requirement by indicating this information on Form WV/NRW-2, Statement of West Virginia Income Tax Withheld for Non-Resident Individual or Organization or in the supplemental area of the non-resident beneficiary's copy of Federal Schedule K-1 or by an attachment to the Federal Schedule K-1 listing the same information.

**CLAIMING WITHHOLDING ON THE RETURN** - You MUST attach a Form IT-140W to your Fiduciary return in order to properly claim withholding tax paid. To complete the Form IT-140W, copy the required information from the Statement of West Virginia Income Tax issued to you (WV/NRW-2 or Federal Schedule K-1). Total the amounts from all of the statements issued and enter this amount on Line 12 of the IT-141. Attach the completed IT-140W to the IT-141 and submit.

**COMPOSITE RETURN** -An Estate or Trust, instead of withholding tax on taxable distributions to its non-resident beneficiaries, may opt instead to satisfy the non-resident withholding requirements by filing a West Virginia Non-Resident Composite Income Tax Return (Form IT-140NRC) for its non-resident beneficiaries. For more information about Composite Return visit our website at [www.wvtax.gov](http://www.wvtax.gov).

**RELATED FORMS** -You may obtain related forms, such as the WV/IT-140W, WV/NRW-2, Schedule E or IT-140NRC, on our website at [www.wvtax.gov](http://www.wvtax.gov).
