End of Year Reconciliation and Withholding Tax Statements (W-2's)

Employers are required to furnish each employee a Withholding Tax Statement (Form W-2 or an approved substitute) on or before January 31 of the following year. A copy of each employee's Withholding Tax Statement (W-2) is to be submitted to the State Tax Department accompanied with form WV/IT-103 no later than January 31 of the succeeding year. We encourage you to file the WV/IT-103 and upload W-2's online using <https://mytaxes.wvtax.gov>.

Employees who are filing for twenty five or more employees are required to file all data by electronic media. Visit www.tax.wv.gov for guidelines and view the IT-105 Specifications for information on filing W-2's and 1099 forms electronically. Failure to do so can result in an assessment of penalty in the amount of \$25.00 per information return for whom the return was not filed electronically. Lack of forms is not a valid excuse for failure to file a return.
